

ATTENTION: Trinity Health Plan New York “Network” Providers

NETWORK providers may request a review of a paid or denied claim once the original claim determination has been made. A request for review should only be made when you have reason to believe that your claim was processed incorrectly, or when you have additional information to provide regarding your claim that would support your request for reconsideration. To file a “Request for Claim Review”, please know the following:

- Requests must be filed within 6 months of the date of the original remittance. Requests for review filed any later will be returned without consideration.
- Requests must be filed following the “Request for Claim Review” process outlined in the Trinity Health Plan New York Provider Manual (Section 5); and you must use the “Request for Claim Review” form found at Trinity Health Plan New York.com.
- Your completed requests must be faxed to 1-833-263-4871 or mailed to Mount Carmel Health Plan - Trinity Health Plan New York, 3100 Easton Square Pl, Suite 300, Columbus, OH 43219, ATTN: Request for Review. Be sure to include appropriate documentation, including rationale and justification for your request, and any applicable office notes, operative notes, or consult request/reports.
- **DO NOT** use the “Request for Claim Review” form to submit a “corrected claim”. If, for example, the original claim was rejected for an invalid ICD-9 or CPT code, simply send the corrected claim to Trinity Health Plan New York’s claims processing center using the “Corrected Claim” form also found at Trinity Health Plan New York.com. Your claim could be denied as a duplicate if you do not use the Corrected Claim form. You can get further guidance and assistance on these matters by contacting Trinity Health Plan New York’s Provider Call Center at (800) 991-9907.

ATTENTION: “Non-Network” Providers

NON-NETWORK providers who believe the amount paid is less than the amount that would have been paid under Original Medicare or disagree with Trinity Health Plan New York’s decision to pay for a different service than billed may file a “Request for Claim Review” following the guidelines listed above. If the non-network provider disagrees with Trinity Health Plan New York’s claim review decision, non-network providers can request an independent review from Trinity Health Plan New York. Mail or fax request to:

- Trinity Health Plan New York, Attn: Claims Audit., 3100 Easton Square Pl. Suite 300, Columbus, Ohio 43219, Fax: 1-833-263-4871
- Trinity Health Plan New York must receive the written request within 180 days of the organization’s unfavorable claim review decision. Providers with questions regarding the adjudication process or individual disputes being reviewed can contact the Trinity Health Plan New York Provider Call Center at (800) 991-9907.

NON-NETWORK providers who disagree with our initial claim denial which resulted in no claim payment have the right to file an appeal under the standard 60-day appeal process. If you wish to file an appeal, you must complete the following:

- File the appeal in writing within 60 days of the date in which you received the notice of claim denial. Include all information you wish Trinity Health Plan New York to consider, including rationale and justification for your request and all applicable medical records and documentation. You must also include a completed “Waiver of Payment Statement” which can be found at Trinity Health Plan New York.com. Appeal requests cannot be processed without our receipt of this signed document.
- Mail, fax or deliver your appeal to: Trinity Health Plan New York, Attn: Appeal and Grievance Coordinator, 3100 Easton Square Pl. Suite 300, Columbus, Ohio 43219, Fax: 1-833-802-2495

Trinity Health Plan New York will make a decision on your appeal within 60 days of our receipt of your written appeal. Please note that the 60 day appeal period will not begin until all requested information has been received. If Trinity Health Plan New York does not rule fully in favor of your re-determination request, we will forward your appeal request to the CMS QIC contractor (Maximus) for an independent decision.
