

Our plan provides telephonic case management services to our members to assist with coordinating services, short-term intensive intervention or long-term education and monitoring. The goal is to facilitate maximum functional levels at the most appropriate intensity of service. If you identify one of our members at risk for high utilization of service or needs assistance in coordinating health care services, please complete this form.

Submit completed form via fax to: 1-614-234-7195 or CaseManagement@MediGold.com.
